Tom Nardone : Extreme Pumpkins II: Take Back Halloween and Freak Out a Few More Neighbors before purchasing it in order to gage whether or not it would be worth my time, and all praised Extreme Pumpkins II: Take Back Halloween and Freak Out a Few More Neighbors:

0 of 0 people found the following review helpful. Yay Halloween!By KittyI love the Extreme Pumpkins and Extreme Halloween books! I just had to get Extreme Pumpkins II to see what other awesomely gruesome ideas it held. It did not disappoint. I would recommend this book (and all its predecessors) to anyone looking to pull Halloween out of the cutesy, glittery Micheal's garbage can it's been residing in the last few years and spruce it up with some gore and gross!1 of 1 people found the following review helpful. Taking Pumpkin Carving to a New LevelBy BPRDAgent06This is one of those great books that lists the materials you can use and encourages you to expound upon your creativity. With wonderfully colorful photos, it brings new life to pumpkin carving and the characters you can cut forth from your vegetables and fruits. Highly recommended and if you've perused through this book, don't forget to look over his first book on pumpkin carving!0 of 0 people found the following review helpful. Extremely-lame-pumpkins II bookBy DoveBesides the front page that has a good design, the contents are lame. Not as creative as I thought this book would be. Felt disappointed.

The outrageous follow-up to last Halloween's surprise bestseller. From the power-tool wielding author of the national bestselling *Extreme Pumpkins* and the popular website Extremepumpkins.com comes a new collection of even darker, creepier, and more outrageous do-it-yourself designs to impress friends and horrify neighbors. The demented designs include Projectile Sneeze Pumpkin, Baseball-in-the-Eye Pumpkin, Doll-Eating Pumpkin, and Full-Diaper Baby Pumpkin, along with cool gourd designs, practical jokes, and more. This gleefully gory guide reclaims Halloween from the cheerful, the cutesy, and the parent-sanctioned.

Tom Nardone takes a pumpkins guts-and-gory approach to making Halloween a true fright-fest. USA Today About the Author Tom Nardone is the creator of the popular website extremepumpkins.com. He lives in Michigan with his long-suffering wife and their three children, where he runs an internet company.
