They are also color coordinated, so you can have a blue (green, pink, yellow, etc) page full of stickers. Would recommend this for kids who love to do arts and crafts.6 of 6 people found the following review helpful. NOT reusableBy LizAgree with one of the other reviewers... Nice stickers but they are just regular stickers, not reusable. Also they are a bit hard to peel off.0 of 0 people found the following review helpful. I Would Buy These AgainBy KellyBeautiful stickers! I agree with other reviewers that they are tricky to peel back off once you have applied them to the picture background, but I guess you could technically call them "reusable". There are SO many stickers that can't possibly fit on the background, but they would be excellent to use in other art projects such as card-making. Great stickers at a very nice price :)

Perfect for the holiday where sitting down to decorate is a beloved ritual comes a new addition to the bestselling series

with over 1 million copies in print. Packed with 400 full-color Easter- and spring-themed stickers, EyeLike Stickers: Easter belongs in every Easter basket and every crafter's stash. The high-quality, photographic images are amazingly lifelike in color and detail. The durable, reusable stickers are designed to be stuck on and peeled off over and over again without losing adhesive. Fuzzy chicks and bouncy bunnies. Jelly beans, springtime flowers, pretty painted eggs, and wobbly-legged lambs. Use them to decorate notebooks, cards, scrapbooks, crafts, party invitations or create a lively scene on the books' inside covers which double as a glossy illustrated background. Then change it up when the mood strikes.
