**Tina Casey : Fabulous Fashion Doll Clothing You Can Make** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fabulous Fashion Doll Clothing You Can Make:

0 of 0 people found the following review helpful. Not For Sewing But Can Make It Into Sewing ProjectsBy RhondaIt's a great book and in great condition but i guess when i ordered i didn't read it correctly. I thought it was a sewing book but it is more for working with a glue gun. But overall, the glue gun can be substituted for a sewing machine which is why i wanted the book so me and my granddaughter can make some doll clothes together.0 of 0 people found the following review helpful. Five StarsBy A ReaderClever use of glue gun -- Sewing not required.5 of 6 people found the following review helpful. What a hoot!By A CustomerI'm not much into sewing but I have been wanting to "create" some fashions for my dolls. This book gave me a lot of ideas. The gluing part takes some practice, but she sure did have a lot of ideas of how to make clothes out of socks, neckties, doilies, scarves, fake flowers, etc. She covers accessories too, like hats and shoes. Some of the outfits are really wild, but the whole idea was fascinating to me. It

was a fun book to read.

Doll-lovers of any age will discover ingenious ways to turn socks, scarves, doilies, beads and other easy-to-find items into more than 60 stunning, no-sew outfits for fashion dolls.

From BooklistNow that one of Barbie's fancier outfits could cost the equivalent of half a mortgage payment, it's time to emulate Casey and--glue? Yes, hot or cold, adhesive works wonders on homemade doll clothes, eliminating virtually all wear and tear on the sewing machine. Instead, rummage and remnants, and worn-outs and outdated, all become the materials for luxury gowns and skimpy rompers. Every one of the 65 items, from boots to hats, is illustrated in full color, and further documented by a few words about the proper places to snip and cement. A one-trick pony with infinite adaptations. Barbara Jacobs
