**Pamela Westland : Fabulous Flowers** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fabulous Flowers:

Create stunning floral designs throughout the year with this beautiful, fully illustrated guide.

About the AuthorPamela Westland is a freelance writer who has written over 50 books on flower arranging and cookery. She has demonstrated flower arranging on television and for various groups throughout Britain. Pamela lives in a 14th-century farmhouse, and is fortunate enough to gather most of the material used in this book from her garden and the surrounding countryside.
