**Jason Hamilton : Fairy Fantasy: Adult Coloring Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fairy Fantasy: Adult Coloring Book:

0 of 0 people found the following review helpful. They love it!By ArgentosmomMy grown niece and nephew love these and so do I! I bring mine over to my sister's, they bring theirs, and we all sit in the living room after dinner and color! It's better than the tripe that's on tv Sunday nights that's for sure. This book was a particular hit. The pics are detailed but not too busy. Definitely worth the price-and the smiles!1 of 1 people found the following review helpful. Coloring BookBy citan-uzukiBeautiful drawings for your coloring pleasure!The art in this book is very beautiful. The actual results of course will depend on your coloring skills. You should get many hours of stress-relieving coloring time with this book.I chose to use Crayola colored pencils but you can use whatever you wish. You can even use crayons and markers. If you really want saturated colors, try an artist quality set of colored pencils.Highly recommended.1 of 1 people found the following review helpful. Awesome,By Kindle CustomerI own a number of

Fairy coloring books this is by far one of the best. Nice clear pictures, pretty pictures. Quality paper with pictures on one side, and the extra pictures that could very easily be turned into greeting cards! Score!!

Fairy Fantasy is an adult coloring book that features 24 full page illustrations of enchanting fairies by the artist who brought you Cats Quilts and Mermaid Fantasy. While the pictures are detailed, the subject matter is appropriate for all ages. Pick up your pencils and enter a relaxing, mindful realm of fantasy art filled with delightful forest and garden fae. There is no clip art or stock photos used in Fairy Fantasy. Each and every picture is the product of my imagination, drawn with my own hand. 24 unique hand drawn illustrations Bonus illustrations in 4x6" and zoomed in view also included Printed single sided on 60 lb pure white paper, perfect for colored pencils and pastels Generous margins for easy removal if you prefer to color with wet media

"I own over 75 coloring books by various authors, and I can honestly say I'm DROOLING over this one! It's one of the highest quality coloring books I've ever seen, and it immediately became one of my favorites" --Jessica J. "Mr. Hamilton has a distinctive style fairy, with beautiful faces, long pointed ears and lush figures. He places his fairies in scenes which provides me with a fun coloring experience." --iiiiireader "Every design is a work of art, worthy of framing and displaying. I love the unique borders and natural backgrounds in each picture that include flowers, foliage and even one with a friendly, honey bee." --Hanford R. "I am enchanted by the beautiful artwork on every single one of these pages! Each page has a different fairy in a graceful pose with a unique background. I love that there are such a range of details in each fairy from their hairstyles, to their wings, right down to the intricate accessories on some of them." --C. Frey From the Back Cover Enter the enchanting world of Fairy Fantasy, with 24 full page original hand drawn illustrations of fairies by Jason Hamilton. Perfect for all ages.
