Maureen Carlson : Family and Friends in Polymer Clay before purchasing it in order to gage whether or not it would be worth my time, and all praised Family and Friends in Polymer Clay:

1 of 1 people found the following review helpful. This book is easy to follow and should be helpful in learning how ...By Bev FlaglerThis book is easy to follow and should be helpful in learning how to use Polymer Clay. Lots of ideas.4 of 4 people found the following review helpful. Love this book!By ReetlebeetleIf you can make clay people as well as Carlson than kudos to you! This book inspired me to at least try, and guess what? I made a Rastafarian dude out of clay! The armitures are a little tricky but with time I'll figure it out. Carlson obviously did her research and explains anatomy in relation to clay art very well. I will keep this book in my clay library for easy reference - and inspiration!Family and Friends in Polymer Clay1 of 1 people found the following review helpful. Nice book!By S. OrtegaThis book has pretty photos and the pictures are clear so that you can understand the step by step instructions! I liked it so much I bought her other book called How to Make Clay Characters. Both are very nice!

You can make character dolls and whimsical figures from polymer clay!.Make friends with polymer clay - and family too! In this delightful, light-hearted book, Maureen Carlson will teach you how to sculpt unique clay figures of your favorite people.You'll find everything you need to have fun and success - including a complete description of tools and supplies; general techniques for creating faces and bodies; and tricks for recreating the specific moods, expressions and features that capture the essence of a particular person. Before you know it, you'll be creating clay caricatures that are "almost real," full of personality, and guaranteed to make you smile!
