Deck the halls (and everywhere else) with these gorgeous Fancy Fringed Ornament covers. The ornaments in this book work on a basic design and vary from there using different colors, patterns and bead sizes and shapes to create totally different looks. As you make these designs, youll see your comfort level and speed increase with each additional ornament. This is important since everyone you know will want one! Another added benefit is youll find this is a

wonderful way to get the confidence to make your own design.
