The editors of *Creating Keepsakes* scrapbooking magazine : *Fast Scrapbooking with 4x6 Photos* before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Fast Scrapbooking with 4x6 Photos*:

5 of 5 people found the following review helpful. Yes they are fast pages, but they are mostly older layouts from 2006-2008 By happy scrapper I was so excited waiting for a new release from *Creating Keepsakes* (CK). It is a good book for beginners and people who don't want the latest and freshest designs. If you want new ideas that weren't already published in the CK magazine from 2006-2008 do not buy this book. If you are into the latest and greatest designs and subscribe to scrapbooking magazines look for another idea book. 0 of 0 people found the following review helpful. Five Stars By Bernice Martin I like this book and like ordering on 1 of 1 people found the following review helpful. Old idea book By Steph This idea book contains many pages that were in another idea book published in 2009. It was a huge disappointment for me as I thought it was a "new" idea book when I bought it. I would look elsewhere for fresher

ideas.

5625 Fast Scrapbooking with 4x6 Photos Want to speed up your scrapbooking process and get caught up with your always-growing stack of photos? This ingenious book from the editors of Creating Keepsakes scrapbook magazine can help! It includes hundreds of easy ideas for using your 4" x 6" photos straight from the printer, with little or no time-consuming cropping or re-sizing. Now you can spend less time fussing with your photos and more time completing layouts. The book is organized by the number of photos on each layout, which helps you quickly identify the layouts that will be most helpful to you. It also includes inspiring ideas for using 4" x 6" photos to create mini albums, photo gifts for the family, and home decor items.
