Patti Smith : Fido Felts: Make Your Own Needle-Felted Dog before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fido Felts: Make Your Own Needle-Felted Dog:

Needle-felting is a fun and easy-to-learn craft that lets you "sculpt" wool fibres into a variety of shapes and sizes. With this kit, you'll learn how to needle-felt and create four fuzzy, lifelike pooches. Inside are all the materials you need to make four adorable lifelike models: a beagle, a dachshund, a chocolate lab and a French bulldog. These pups are sure to charm you with their fetching features. Just follow the step-by-step instructions and full-colour photos to craft these dogs, then try your hand at creating your own designs! The possibilities are endless and so is the fun - with Fido Felts! (Includes a 32-page full-colour instruction book, four pipe cleaners, two felting needles, a foam-sponge work surface and four balls of wool roving.)
