Practical for

Sunday School By A Customer This book is very useful for Sunday School teachers (pre-school age). Not only does it give you a clear instruction on how to make the finger puppets, it also gives out ideas on using it for lessons. The idea lessons refers to certain Bible verses besides everyday life experience. Once you get the hang of making the puppets, you can even be creative and design your own puppets! (the basic patterns are pretty similiar; it's the details that vary) Great book!

This book comes with 64 pages that includes patterns to create 19 unique Finger Puppets Sample Scripts and Pantomimes.
