Author/Illustrator Loves This!By Diane L.Awesome idea and so helpful to have, either for professional children's book illustrators, those in school, or hobby artists. It's such a pain to make your own book dummy, and this product really helps give the author/illustrator a jump start AND helps your work look tight and finished when trying to relay a concept. Nice job McSweeney's!!

A new release in our popular Author-Illustrator Starter Kit series! Five premium-quality hardcover, unlined blank books in a hard slipcase. Each book is 32 pages, 4.5" square, and ready to be turned into a picture book. Just add crayons, markers, and ideas. The blank slipcase is shrinkwrapped with a removable title card that offers a handful of inventive prompts to inspire young writers and artists.

About the AuthorMcSweeney's is an independent publisher based in San Francisco that publishes a quarterly journal of short fiction, a monthly magazine called The Believer, a quarterly food journal called Lucky Peach, and an array of various fiction and art books, including children's books.
