I actually bought this book for the flower patterns for mosaics rather than stained glass for ideas and to understand how to better divide the flower appropriately. I would definitely recommended it if you like flowers.0 of 0 people found the following review helpful. Great DesignsBy ssneed0I was looking for designs for cloisonn and these are perfect. Simple yet beautiful. These designs will work beautifully for my creations.0 of 0 people found the following review helpful. Recommended book!By Sandy T.Love the designs! I recommend this book!

Floral designs are inevitably popular with stained glass workers. These 96 lovely floral patterns rendered by celebrated designer Ed Sibbett, Jr., are among the most graceful and appealing for use in this medium. Included are irises, poppies, lilies, and tulips in a variety of styles, abstract and geometric patterns, and other exquisite designs adaptable to innumerable projects.
