Barbara Muller : Florentine Embroidery: All You Need to Know for Perfect Results before purchasing it in order to gauge whether or not it would be worth my time, and all praised Florentine Embroidery: All You Need to Know for Perfect Results:

1 of 1 people found the following review helpful. Lots of good patternsBy SOFI had about half a dozen books on Bargello and ordered another four when I was going to start teaching a class on this. I brought all of these books to the class for the students to select patterns they wanted to work on, and more student chose patterns from this book than from any other. This was a used book. If you see one, grab it.4 of 4 people found the following review helpful. Full of patterns.By Mrs SReceived this book yesterday. Wanted to start working the embroidery straight away.The graphs for working the Florentine embroidery are nice and clear and good instructions at the front of the book regarding what materials to use. If you want a book full of patterns this is a good one as there are over 50 patterns. Very pleased with my purchase.0 of 0 people found the following review helpful. nice butBy J. Bakerno color photos. This is an old book and looks it but it has some great info in it. I am doing a Bargello class with Julia Synder and wanted the book to read up on bargello.

A guide to working Florentine stitches with information which ranges from choosing the right canvas to blocking the finished embroidery. The author suggests colours to be used and has included 50 patterns to embroider.
