**Fiona Barnett, Terence Moore : Flower Arranging: 290 projects for fresh and dried bouquets, garlands and posies** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Flower Arranging: 290 projects for fresh and dried bouquets, garlands and posies:

A practical step-by-step guide with more than 1700 photographs: 290 projects for fresh and dried bouquets, garlands and posies.

About the Author Fiona Barnett shot to fame as a result of her spectacular floral designs and now runs her own thriving

business, Manic Botanic. She has worked with the photographer Debbie Patterson on several books, notably *Wedding Flowers*. Terence Moore designs and creates a highly distinctive range of decorative arrangements made entirely from natural objects and materials.
