**Sheila Macqueen : Flower Arranging from Your Garden** before purchasing it in order to gage whether or not it would be worth my time, and all praised Flower Arranging from Your Garden:

Here is all you need to know to plan your garden so that flowers and foliage are available for arranging throughout the year. All the plants chosen are comparatively easy to grow and are particularly suitable for arranging or for drying. Sheila Macqueen offers numerous suggestions for flower arranging year round. Flower Arranging from Your Garden is illustrated with color photographs of arrangements made by Mrs. Macqueen to show the range of possibilities throughout the seasons. Over 120 plants have been selected, including trees and shrubs, perennials, annuals and bulbs. Each plant entry is accompanied by detailed advice on arranging, notes on cultivation, and how to condition and preserve plants so that the flowers will last well when cut.
