2012 sees the tenth anniversary of Life3, the successful partnership between florists Per Benjamin, Tomas De Bruyne and Max van de Sluis. A festive event calling for some special action. Life3. Ten Years of Inspiration is a festive retrospective of their work. A best of, putting their impressive body of works - until now compiled in no less than 11 books - into the limelight, a tad nostalgic but spiced up with brand new and refreshing designs. The three designers of Life3 give their best in this splendid and varied collection of table decorations, wedding designs, plant arrangements, bouquets, eye-catchers for the home interior, Christmas decorations... staying faithful to their own signature styles and at the same time ever so innovative and original. Life3 not only inspires, but wants to share its creativity, trendy concepts and expertise with colleagues and flower enthusiasts all over the world.
