**Moniek Vanden Berghe : Flowers in the Heart** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Flowers in the Heart:

1 of 1 people found the following review helpful. Hard to put down.....By Katrina Jury Flowers In the Heart would be my favourite of the series from this talented author. Beautifully constructed and photographed work is inspiring and sparks many ideas. Highly recommended!

A rich and diverse collection of creative heart-shaped floral arrangements - bouquets, centrepieces and garlands - to celebrate a special event or just to bring a touch of love and sweetness to the home.
