He also offers tips in the book that were helpful to me, as I am new at floral arrangements. I make them for friends and family, it gives them so much joy to receive them. His instructions were simple and easy to follow and I used artificial flowers (Michael, Joannes, AC Moore) They came out just as beautiful as the real ones. 0 of 0 people found the following review helpful. Fun and Simple Arrangements!!! By Scott M Zetak Great book and ideas. Author makes floral arrangements fun and creative. Have already used four designs. 0 of 0 people found the following review helpful. Flower arranging made easy..... By Northern VA Tunelady this should be called flower arranging for dummies.... Jonathan took the guesswork out and put

the "simple, here's how it's done' on the pages. I read this cover to cover the day I received it and would recommend it for any 'wanna-be' arrangers to buy it.
