From Brand: Motorbooks International : For the Boys: The Racy Pin-Ups of World War II before purchasing it in order to gage whether or not it would be worth my time, and all praised For the Boys: The Racy Pin-Ups of World War II:

0 of 0 people found the following review helpful. Awesome book!By Scott JohnsonThis book is large and has a great many of pin ups in it. Not a lot of reading, which is fine because if you are looking for a pin up book, you want the girls. This book has that covered with many artists. It is also nice to see the actual image that was showcased on the nose's of the airplanes during WW II. My wife is a pin up photographer and has found this book to very helpful in re-creating some of the old images. With her partner making the costumes for the ladies, and armed with this book and a few others, she has found success.0 of 0 people found the following review helpful. Good choiceBy Margaret LongI bought this for my granddaughter. She received it today I believe and messaged me to thank me and tell me she loves

it. She said the book contains "a lot of good stuff".0 of 0 people found the following review helpful. Perfect for a bachelor pad
By MikeEverybody loves this book. Perfect for a bachelor pad.

Max Allan Collins. A lavishly illustrated scrapbook of World War II pin-up memorabilia, *For The Boys* showcases the morale-boosting pin-up calendars, postcards, cartoons, matchbooks, and playing cards that sweethearts, wives, and relatives sent from the home front to their men in the armed forces.

"If you think the 1940's were a repressed time, you will be amazed to see how much freedom ... existed." -- Alan Caruba, *Bookviews*, August 2000
"Now Collectors Press has gathered 500 or so examples of the best ephemera into a 144-page hardcover, *For the Boys*." -- *Playboy*, August 2000
About the Author
Max Allan Collins is the award-winning author of *Elvgren: His Life Art*, and the best-selling novels *Saving Private Ryan* and *Air Force One*.
