This company did the bulk of its work in the 19th and early 20th century and that work is barely touched upon, and pictured very briefly. It is mostly about modern windows and glass.0 of 0 people found the following review helpful. Well-produced book. Very little content on the early work ...By Bruce MarshallWell-produced book. Very little content on the early work, much of which populates churches all over the US.0 of 0 people found the following review helpful. Inspiring bookBy GeorgiaSnowI chose this rating because I had hoped for more information on their Stained Glass. However, the main focus of the book is architecture. It is a good reference, however.

Founded in 1847, Franz Mayer of Munich is one of the world's foremost studios for mosaics and stained glass. Dedicated to the restoration of historic works as well as the execution of contemporary projects for artists and

architects worldwide, the family-owned company is widely lauded for its commitment to maintaining the highest standards of quality.
