**Gwen Marston, Cathy Jones : Free Range Triangle Quilts** before purchasing it in order to gage whether or not it would be worth my time, and all praised Free Range Triangle Quilts:

2 of 2 people found the following review helpful. Don't just look at the photos, read this one!By cbnmtI love this book! Please don't discount my opinion because I have three quilts in this book. The goal of this book is to inspire quilters to create their own designs with triangles, with many great tips and working with triangles, and Gwen and Cathy have done this in a creative, fun and inspiring manner. If you don't get a least a half dozen big smiles while reading this, get your type A behavior checked. I have been a quilter for a long time, I no longer need patterns - I need inspiration and this book fills that need perfectly. Thank you Gwen and Cathy.2 of 2 people found the following review helpful. Free Range Triangle Quilts is a winner!By Nancy PetersonThis book will make you want to quilt something! I haven't done any quilting for a while but there are some great ideas in here. The vibrant, colorful pictures are wonderful to look at and hopefully I can try some of my ideas. And I like the idea of going "off the symmetrical

path". 2 of 2 people found the following review helpful. LOVE THIS By Quiltdivajulie Wonderful, elegant, delicious, inspiring book -- great photography, well written, full of ideas and, did I mention, Gwen Marston is involved? She and Cathy Jones have put together a marvelous resource.

These authors have joined forces to reintroduce the triangle in quilting. This is a new look for a seasoned shape with parameters that provide structure, clear direction, and focus for the projects. The projects get back to basics with lessons learned at Granny's knee. Traditional methods and styles provide a springboard to updated quilt patterns. Quilt projects and patterns encourage taking risks to create your own piece of art. View quilts already made using the free range concept of the triangle.

About the Author Gwen Marston is a professional fiber artist, author, and teacher. She has taught nationally and internationally for over three decades. She lives in Beaver Island, Michigan. Gwen Marston and Cathy Jones are vibrant quilters with flair for using the traditional to create the contemporary. Each moved by her, respective, grandmother to sew and quilt. Both make their homes in Michigan, but their work reveals influence from artists and quilters worldwide.
