Raymond Subes : French Art Deco Ironwork Designs (Dover Jewelry and Metalwork) before purchasing it in order to gage whether or not it would be worth my time, and all praised French Art Deco Ironwork Designs (Dover Jewelry and Metalwork):

1 of 4 people found the following review helpful. Three Stars By Flavio Parranot to good

This collection of 122 photographs from the early 20th century displays the range and beauty of Art Deco ironwork. From lamps, hotel sideboards, and sinuous staircase balustrades to screens that look almost Moorish and balcony railings where detailed animal figures seem about to spring to life, each piece is a unique masterpiece of decorative art. This photographic treasury is a rich source of inspiration and an invaluable resource for architects, creative

ironworkers, and lovers of antiques.
