**Wendy Andrade, NDSF, AIFD, CFD, FBFA : Fresh Floral Jewelry: Creating Wearable Art with Wendy Andrade** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fresh Floral Jewelry: Creating Wearable Art with Wendy Andrade:

0 of 0 people found the following review helpful. ReturnedBy Susan E JohnsonI returned this book. Wasn't what I was looking for.0 of 0 people found the following review helpful. Excellent informationBy Bobbi RWendy's book is amazing. I have refined my floral jewelry to a new level. I bought the book to see if I might benefit from her course in April at PAFA. My only regret is that my shop got too busy for me to attend. Great info..a must have for floral wire design.0 of 0 people found the following review helpful. Not as great as I thought it would beBy Shop girlI was hoping for some more interesting techniques, and better ideas. I found the designs were a bit repetitive.

An innovative designer is always looking for new concepts. Fresh Floral Jewelry, an instructional introduction to the world of floral design jewelry making, is the first of its kind. Learn how to make beautiful, intricate jewelry with wire, beads, and little else, to resemble foliage in which to set your orchids, succulents, and many more floral varieties.

About the AuthorWendy Andrade is the recipient of the RHS Gold Medal and two NAFAS Silver Gilt awards, and is a flower team member of the Philadelphia Flower Show, Pasadena Rose Parade, and the Academy Awards, where she is the first British floral designer.
