By IronheartI really like the designs presented in this book. The actual designs are not only creative, but provide great starting points for personal embellishment. The instructions are clearly stated with drawings that actually are clearly drawn and make sense. I have had many hours just happily making these friendship bracelets and my only problem to date is what to do with them all??!! Love it.

By Kindle CustomerI bought this for my nieces to share for Christmas and they loved it. They've made

bunches of bracelets for friends and family members and even made some anklets and necklaces. I bought a large thing of embroidery thread to go with it so they would have plenty of choices in colors to create with. Absolutely perfect for beginner crafty kids and appropriate for either boys or girls. 0 of 0 people found the following review helpful. Good intro text

There are plenty of ideas here and they definitely work for those of us who are too grownup for some of the patterns that are out there. The directions and images are what you would expect for this type of book and while I think that there are some better books out there this one definitely can inspire you to create some lovely wrist wear. This is definitely a beginners book but it is probably one of the best I've seen

Add instant eco-chic street fashion to any outfit with friendship bracelets! Get that trendy bohemian look with bountiful, bright colors on your arms and wrists. Inside you'll find dozens of stylish designs and easy techniques for making beautiful bracelets with embroidery floss and hemp. Friendship Bracelets offers fresh ideas for expressing yourself with the texture and beauty of intricate knotwork. You'll find cool patterns here for making chevrons, stripes, waves, diamonds, and more, with step-by-step instructions for each knot pattern. Gorgeous color photographs illustrate variations in every style, from classic and natural to playful and eclectic. Stack your bracelets for a boho arm party, and embellish them with beads and buttons. Learn how to make inexpensive hemp jewelry in fun colors, inspired by laidback hippie vibes. Transform ordinary friendship bracelets from middle school memories to chic contemporary pieces you'll be proud to wear. Whether you're going bohemian, mod, or all-out fashionista, Friendship Bracelets will help you to create exactly the look you want.
