Vivian C. Kistler, MCPF, GCF : Needlework Framing (Library of Professional Picture Framing, Vol. 3) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Needlework Framing (Library of Professional Picture Framing, Vol. 3):

0 of 0 people found the following review helpful. Learn to frame your embroideryBy Kindle fan of TulsaBeing a person who does a lot of embroidery, finishing the project is very important to me. Framing can be very expensive, but the cost can be reduced and the quality can be improved by reading this book. There is a newer reference from the framers association available. I have not read it yet. This book was very helpful to me. I read it cover to cover the first week I had it.0 of 0 people found the following review helpful. Needlework framingBy Allison SI do alot of needlework for framing and did not know so much consideration needed to be given regarding framing of such items.

While much was brought to the attention of the reader, there was not much meat/indept/enough instructions provided on all areas. I think the author assumes the reader is more versed on the processes involved than a complete beginner.4 of 4 people found the following review helpful. Everything you need to get started in framing needleworkBy Sprint car fanVery informative - good diagrams, instructions commentary. Covers cleaning, blocking repairing as well as detailed information on various mounting methods what type of project would be suitable for each method.

Step-by-step instructions! Handle fabric items with confidence! This volume covers: Handling needlework in the frame shop, Basic fabric construction, Types of needlework and fabric, Notions, Cleaning and repairs, Pressing needlework, Blocking needlework, 12 Methods of mounting textiles, 15 projects that include: Needlepoint, Cross-Stitch, Crewel, Antique Sampler, Quilt, Kimono, Carpet, Scroll, Scarf, Hankie, Persian Painting, Doily, Papyrus, Weaving and a Flag, Framing Canvas Fabric. Suggested by the Professional Picture Framers Association as a study guide for the Certified Picture Framers test.

About the AuthorVivian Carli Kistler, MCPF, GCF, Adv. Vivian Kistler is a leading picture framing expert and in worldwide demand. She owned and operated a large retail gallery and frame shop for over twenty years. She has a degree in art and a certificate in finance. She also owned a craft store and a commercial framing company which supplied framing and art to hotels, coliseums and hospitals. Vivian is the author of numerous books and videos, including the seven-volume Library of Professional Picture Framing. Her monthly articles appear in Art World News, Picture Framing Magazine and Profile magazine. As an educator in the framing and art industry, Vivian travels the world training framers. She is certified as a Master Custom Picture Framer in the USA by the Professional Picture Framers Association and as a Guild Commended Framer, Advanced in the UK by the Fine Art Trade Guild.
