It's OkayBy RozI purchase this book because I wanted to learn how to make the beaded fan earrings. I really don't care for the some of the other designs.0 of 1 people found the following review helpful. I love this bookBy J. CongdonThis book has many easy and nice looking patterns in it. i would recommend it to anybody wanting nice looks in little time

This book is fully illustrated and presents step-by-step instructions on making truly beautiful and distinctive earrings.

Written by noted craftsperson and author Laura Reid, each step is completely explained and the entire text has been "reader tested" and enthusiastically endorsed. All of the materials used are easily obtainable and all of the styles are based on seed beads and bugle beads. Color variations are given for each project. Further, from the styles explained and illustrated, and based on the easy to follow instructions, the reader is encouraged to go beyond the basics of this book and create their own designs. All of the finished earrings are both illustrated and shown in full color. The projects include Point Styles such as Five Point Star, Snowflake, and Cross-Point earrings. Fan Styles include Small Fan, Large Bugle Fan, Large-Small Bugle Fan combination, Quill Fan and Circle earrings. Square Type Earrings include 3-Square, Bugle Star in Circle, Large Bugle Rectangle, Small Bugle Base, Five Bugle Base, Seven Bugle Base, Ten Bugle Base and One Dimensional Cube. 134 illustrations; 4 BW photographs; 4 pages in full color.
