Deena Beverley : New Crafts: Stringwork: 25 decorative projects shown step by step before purchasing it in order to gage whether or not it would be worth my time, and all praised New Crafts: Stringwork: 25 decorative projects shown step by step:

This original craft book celebrates the full artistic potential of this humble material, with practical and beautiful items to make such as a string-wrapped picture frame, a string-embroidered bag, a candelabra and a jute tassel.
