Would purchase again, great sale for me!By Eunice J HambyDelivery was swift, good quality product, brand new. I was a bit disapointed in the content of the book. I had hopes there were more of the same type patterns as the cover which I just love. I still like the information about the museum items. It was interesting. I wasn't disappointed as much as I seem to have been since the book is still a great bargain!ejh2 of 2 people found the following review helpful. New England Quilt MuseumBy Iola F. MooreThis is a wonderful large book about old quilts and how they were made in the past. The Museum shows a variety of quilts and patterns in which you can get great ideas on how to make them with modern day design. Wonderful book for your quilting collection of books.1 of 1 people found the following review helpful. Great HistoryBy M. LewisIf you are a true fabric enthusiast, you'll enjoy the interesting historical information

on fabrics and how they were produced in early US history. Very informative. The projects are lovely, and the cover project alone is worth the price of the book, in my opinion!

Important Note about PRINT ON DEMAND Editions: You are purchasing a print on demand edition of this book. This book is printed individually on uncoated (non-glossy) paper with the best quality printers available. The printing quality of this copy will vary from the original offset printing edition and may look more saturated. The information presented in this version is the same as the latest edition. Any pattern pullouts have been separated and presented as single pages. If the pullout patterns are missing, please contact ct publishing.
