Joseph F. Berenato, Julian Darius, Colin Smith, Jim Beard, Ian Dawe, Robert Greenberger, Keith DeCandido, Kevin Dilmore, Rich Handley, Mark Martinez, Tom Mason, David McIntee, Martn A. Prez, Alan J. Porter, Cody Walker, Scott Tipton : New Life and New Civilizations: Exploring Star Trek Comics before purchasing it in order to gage whether or not it would be worth my time, and all praised New Life and New Civilizations: Exploring Star Trek Comics:

3 of 3 people found the following review helpful. Top MarksBy BryanI've been a fan of the comic books from way back and this is a treasure trove. Replete with stories from those who were there and in-the-know as well as some thoughtful, academically sound, and erudite pieces. This informed and entertained me and caused me to reflect on the changing culture. Really one of the most fun reads I've had in a long time.5 of 5 people found the following review helpful. Great reference book.By Timothy J TuohyWell done. A few slight errors regarding one of the Marvel Projects, I should know, I was the editor! But recommended!!2 of 2 people found the following review helpful. Worth a Look.By Byron W BaileyExtremely well written and covers the whole gamut of comics.

Star Trek comics have enjoyed almost continuous publication since 1967, spanning more than 1000 comics. Quality has varied, from hilariously off the mark to wonderfully reverential. But from one era to the next, Star Trek comics have not only lived long, but prospered. *NEW LIFE AND NEW CIVILIZATIONS* examines the long history of Star Trek in the four-color realm, featuring insightful essays from popular Trek comic scribes and novelists, as well as other experts. From Sequart Organization. More information at <http://sequart.org>

About the AuthorJoseph F. Berenato obtained a B.A. in English and spent four years as the entertainment editor of The Hammonton Gazette before returning to his roots at his family's blueberry farm in Hammonton, NJ. In 2010, Joe was a contributor to Gotham City 14 Miles, and is currently under contract to author *Something Strange: The Unauthorized Ghostbusters Encyclopedia* and co-author *It's Alive! The Complete Universal Monsters Encyclopedia*, with Jim and Becky Beard. Joe is also co-editing *Sacred Scrolls: Comics on the Planet of the Apes*, due in 2015 from Sequart Organization. Recently Joe contributed to ATB Publishing's forthcoming TOS 109, edited by Robert Smith. An editor at Hasslein Books, Joe is a graduate student at Rowan University, and is slated to obtain a Master of Arts in Writing in 2015. You can find him at jfberenato.wordpress.com.
