Judy's creativity juices are flowing again. She has taken simple quilt blocks, rearranged them, and then used them for outstanding borders. The Snail-trail block was the one that captured my attention the most. Who would have thought to use that one as a border design?! A great book for someone who wants a little different look from the traditional straight borders. 11 of 12 people found the following review helpful. If you love Nine Patch You will love this Book! By New England Gal More designs than you can ever imagine all to do with a basic nine patch! Judy explains it all! Judy starts with wash or do not wash; cutting instructions; fabric requirements; construction techniques, sashing construction; quilt top assembly and finishing! Therefore you are not just learning about a nine patch quilt! IT is the entire process of quilting! You are inspired by a

person who is someone that is my mentor for sure! There are 12 yes 12 designs that give you full sized quilt projects! you have pictorials , step by step instructions so go for it! I am certainly glad I did!

Long a favorite with quilters, the classic Nine-Patch is elevated to new heights in twelve exciting full-sized quilt projects. Beloved for its simplicity, this traditional pattern is transformed with alternating blocks, unique sets, imaginative color placement, and inventive border treatments. Use of these exciting design techniques turns the familiar Nine-Patch into breathtakingly original quilts. Clear and concise cutting instructions, easy construction techniques, and great designs will tempt quilters of all levels of experience to try these projects. The clearly illustrated instructions ensure great results.

Judy has a way with borders and sashings that make quilts come to life. Her exceptional writing of clear, precise instructions makes it possible for me to have a winner with every quilt I make from her instructions. While I am waiting for her next book, I will be stitching the quilts in this one. -Susan Fields
