I realize it's the "log cabin" pattern and that I'm not being very generous. The variation is with a 30/60 degree triangle template creating mostly triangle blocks with the occasional diamond block thrown in most, but not all of the diamonds were created by pairing two triangles. To my eye, what your getting is some beautiful color ways. The vast majority of the patterns look like giant snowflakes.The color ways and layouts are very beautiful, but even the bright, multi-colored patterns look like snowflakes to me.0 of 0 people found the following review helpful. Pictures a beautiful and that what lead me to purchase the book ...By hobjectNot really what I expected. The language of the

book could be a little more user friendly but you are forewarned that it is meant for intermediate quilters. Pictures are beautiful and that's what led me to purchase the book in the first place. It's definitely not for someone who wants to make a quick quilt. 2 of 2 people found the following review helpful. Just an OK, so-so book  
By Brenda H. Goodwin  
Was really excited when I saw author on The Quilt Show with Alex Anderson and Ricky Tims - so I ordered her book....Less than excited with the book. Nothing really new or different in this one.....It is OK as a reference guide, but if you are (as I was) expecting something else, you may be disappointed.

Shake up your Log Cabin with a 60 ruler! Best-selling Authors Marci Baker and Sara Nephew are back with a new slant on the Log Cabin. This updated second edition includes 6 new patterns, for a total of 40 projects! A robust "design your own" section with setting shapes, alternate blocks, and border options will help you uncover infinite possibilities. Use the 10" Clearview Triangle ruler, also sold by CT Publishing for fast and easy cutting.

The Log Cabin block is already a favourite among quilters, but Sara and Marci show you how to look at the Log Cabin in an entirely new way, and love it even more! You'll discover 40 great projects from wall hangings to full size quilts, all using a 60 ruler, that transform the traditional into something terrific. (Quilter's Connection, Winter 2015)  
About the Author  
Sara Nephew is a quilt designer, author, teacher, and has developed several isometric (60) triangle rulers. Sara's quilting career has taken her all over the United States, Canada, and Australia. Her quilts have been exhibited in many places. She has been featured in magazine articles, and her quilts have been in books by other authors.  
Marci Baker enjoys sharing ideas that simplify the process of quilting. She has been featured in Redbook, on Home and Garden TV's Simply Quilts, Quilters' News Network, NBC's The Jane Pauley Show, and has been published in American Quilter Magazine and Traditional Quiltworks. Marci spends much of the year traveling and teaching classes for quilting guilds and trade shows.
