Very Nice Coloring BookBy Buzzin Bee ReviewsI just love this adult coloring book, it takes me back to the 60's and 70's when I was much younger. I have been coloring and enjoying this book very much, at times I just can't put it down. It gives me a peace to be able to color and create and bring a page to life with beautiful colors. I would recommend buying all of Jess Volinski coloring books, they are good books to color.1 of 1 people found the following review helpful. Love these!!
