Leisure Arts : O Christmas Tree (Christmas Remembered, Book 4) before purchasing it in order to gage whether or not it would be worth my time, and all praised O Christmas Tree (Christmas Remembered, Book 4):

8 of 8 people found the following review helpful. Lovely BookBy Gaby AlvaradoThe book is typical Leisure Arts with 92 pages of beautiful photographs and great charts. It mostly has projects to cross stich ornaments, including: Childhood Legacy (indians, tops, animals, etc.), Magnificent Story (ornaments from a Victorian sampler,) Kittyland (too many cat faces for my taste,) Freedom's Jubilee (patriotic angels,) Flower Girls (angel like faces,) Snow Dreams (white on tan fabric angels, flowers), Bountiful Christmastide (luscious fruit on black fabric,) Keepsakes (traditional angels, santas, pointsettias,) and my favorite of all St. Nicholas Remembered (adaptations of St. Nicholas of Myra.) The book also contains several very nice options of works suitable for framing, but the most unique project is a beautiful and detailed Nativity of stand-alone figurines including St. Joseph, St. Mary, Baby Jesus, 2 sheep, a donkey, 2 shepperds and the 3 Wise Men. I have seen them sold individually in stores and the project alone is worth the price of the book! It is a lovely addition to anyone's cross stitch library.1 of 1 people found the following review helpful. Five StarsBy Bob HubblePerfect Christmas presents.0 of 0 people found the following review helpful. Another great Christmas cross-stitch bookBy carefulshopperI collect books from this series and this one is as beautiful as the others are. They are just fun to read, and to enjoy the pictures, even if one never gets around to doing the projects.
