Selected from rare turn-of-the-century sources, 26 full-color illustrations depict a host of heavenly beings rendered in a

charming, old-fashioned style. Swathed in a wide variety of angelic garb, the celestial creatures are depicted here in a broad range of poses and activities: with Christmas trees, at prayer, in song, bearing flowers and fruits, and more. Ideal for enhancing holiday notes and gift packages (especially appropriate for Christmas, Easter, and Valentine's Day), these stickers also lend themselves to decoupage and craft projects calling for a touch of angelic appeal.
