The stickers have a nice old fashioned look without being cloying.

Charming illustrations, selected from turn-of-the-century sources, make up this delightfully nostalgic collection of 17 full-color holiday stickers. Ready to spread Christmas cheer are rosy-cheeked, gift-laden youngsters dressed in night-clothes, peasant outfits, and stylish winter wear; figures of Santa Claus and of Father Christmas (the character who predated the more familiar fellow); bags of toys, holly, trees, and much more.
