**Jenny King : On-the-Go Fashions for 18-Inch Dolls (Annie's Crochet)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised On-the-Go Fashions for 18-Inch Dolls (Annie's Crochet):

E.g. wrong size hook for yarn, shaping in wrong spot. Because I have crocheted for awhile, I could improvise to make the pattern work. Would not recommend for beginners.6 of 6 people found the following review helpful. Great Patterns!By Shawn LanphereBut it needs to offer other choices of yarn. Some of the directions were difficult to follow and different needle sizes were used in the pattern that weren't listed in the Materials.0 of 0 people found the following review helpful.
