2 of 2 people found the following review helpful. chain maille made easyBy Marlene MorrisThis makes chain maille easy without having to worry about aspic ratio. You can buy rings and make several items without running into the problem of not having the right combination of ring sizes.0 of 0 people found the following review helpful. This has very easy to follow instructions for beginnersBy Kimberly J. D. HargroveThis has very easy to follow instructions for beginners. Highly recommend to anyone thinking on starting to make chain maille.0 of 0 people found the following review helpful. good bookBy CustomerI am a beginner and this book has some nice bracelets. Good directions. I'd recommend it.

Twenty-five everyday chain mail projects using only one size ring: 3/16", 18 gauge. Book features tips throughout to help you master chain mail. Book instructions are easy to follow resulting in quality-looking finished pieces. Build confidence as you move from simple to more complex designs while learning several common weaves such as Box Chain, Byzantine, Mobius, Barrel Weave, Double Spiral, European 4-in-1, and Shaggy Loops.
