Benjamin John Coleman : Origami Bonsai Kit: Create Beautiful Botanical Sculptures: Includes Origami Book with 14 Beautiful Projects, 48 Origami Papers and Instructional DVD before purchasing it in order to gage whether or not it would be worth my time, and all praised Origami Bonsai Kit: Create Beautiful Botanical Sculptures: Includes Origami Book with 14 Beautiful Projects, 48 Origami Papers and Instructional DVD:

3 of 3 people found the following review helpful. A very nice package By Marty I was put off at first, since I couldn't seem to do the 'basic flower shape'. Suddenly it all came together, and I'm making all Mr Coleman's flowers with no problem. I do wish he had included more types of flowers, but am happy that I am able to do these. And, one can always experiment. There are helpful hints included for the bonsai creations and presentations. And of course, the DVD is always a nice addition. Later comment: I just raised my rating to 5 stars. Am enjoying this book a lot and have mounted flowers on stems and made (my biased opinion) some nice bouquets. BTW, the paper that is included is easy to work with, and works up into very nice flowers. I've also enjoyed trying different types of paper and actually some of those are even lovelier. I'm sure Mr. Coleman said, somewhere, that experimentation can bring satisfying results. Anyway, this little booklet is a good addition to one's "flower library". 2 of 2 people found the following review

helpful. Great book! By Ms. J The book is very detailed. The step-by-step pictures and DVD was very helpful. I have now learned so many ways to make flower origami thanks to this book. I def recommend this book to other origami enthusiasts out there! :-)

3 of 3 people found the following review helpful. Fun and creative By E. Sloane Finally, an origami kit with a video anyone can follow. Coleman gives precise and super clear instructions on how to fold several flowers and leaves. I found myself able to do this even though I've had no experience with Origami before. Take your time and practice with the DVD and you will get great results.

"Always wanted to make a bonsai, finally could make [it] when I happen to lay my hands on wonderful Origami Bonsai Kit by Tuttle Publishing, which contains detailed simple instructions [and] clear photo diagrams, a DVD with awesome video instructions for each model by the creator himself and also the paper required. The kit is just awesome." Origami Love blog "the greatest savings of time and energy for the beginning origamist is provided by the vari-colored folding papers contained in the kit, along with Mr. Coleman's effective instructions in folding. His 'glow-fold' technique simplifies the learning process for the beginner, reducing trial and error." Examiner.com "I love to be able to recommend the best for my readers, and Benjamin's unique talent of merging two Japanese art forms- origami and bonsai, creates an exciting new form of paper art! This unique book "kit" will teach you the art step-by-step with simple illustrated tutorials, and even a DVD to help you along! You can create beautiful delicate paper flowers and leaves and essentially create your own unique paper bonsai!" Suzy's Artsy-Craftsy Sitcom blog "I've purchased a few origami flower kits in the past and the paper with this kit is by far the best suited for creating lifelike flowers." About.com Origami "Origami Bonsai is lovely, as are all of Ben's books, instructional DVDs, and paper creations." Ann Martin, author of All Things Paper "I can't wait to make more of these origami bonsai sculptures as center pieces for our Thanksgiving dinner and for holiday decorations. Perhaps I could also give them out as holiday gifts. I think this kit itself makes a great holiday gift to people who loves craft projects as well!" Yuki's Origami Blog "With the holidays approaching, folding an origami bonsai would be more thoughtful than spending hours at the mall or online. Highly recommend!" Cindy Ng, Origami Blog "This origami kit from Tuttle Publishing contains several tools to teach you how to make unbelievable floral designs and sculptures." Dana Byerwalter, All Free Paper Crafts blog About the Author Benjamin John Coleman has been hooked on origami since his father brought home an origami book in 1974. His hobby kicked into high gear in 2006, when he left his teaching career and made the creation of origami bonsai his new way of life. He is the author of several books, including Origami Bonsai and Advanced Origami Bonsai.
