The directions are easy to understand once you know the basic folds. Fun and creative for hours of fun! 0 of 0 people found the following review helpful. MY FAVORITE ORIGAMI BOOK ON KINDLE!!! By Shin Hae Kim I love this book and the directions are SO EASY to follow! It is so easy even for beggenners! Except the mummy might put you out of track. Hope you enjoy the book!

Make spooky origami monsters and space creatures with this easy origami book. Green Gremlins, Cycops and Bat Birds are just a few of the colorful monsters you will create with this ghoulishly fun book of Japanese paper folding. Origami Monsters presents 23 fun-filled origami monster design projects. The monsters in this book, all original

designs, were displayed at the 1985 World Origami Exhibition sponsored by the Nippon Origami Association. The fun is within the 4 "bodies" that paper folders assemble, which are interchangeable with any of the monsters. The book provides step-by-step instructions and easy-to-follow colored diagrams. You will be able to create your own world of fascinating 3D origami model monsters! Use it to craft eye-catching origami for your friends, to decorate your room or as a wonderful gift for paper craft lovers. All of the folds are simple enough to be origami-for-kids projects and are a great way to learn origami. None of the projects require paint or tools so just grab some origami paper and start folding right away! This origami book contains: 32 page, full-color book 23 monster origami projects Easy-to-follow instructions Colorful diagrams and photos Origami Monsters is a great value, requires no previous paper folding experience and is great for kids and family craft projects, as well as within the office or a classroom setting.
