Daring to be DifferentBy K A ByrneWasn't too sure about this book at first read through and my hesitation seemed to centre on the use of image software for a number of the techniques without a clear "how to" process clearly described. This is sheer laziness on my part as these things are easy to learn if I really want to replicate a technique.It was the second read through that I began to feel that the title "Out of Bounds" wasn't just a reference to artistic rule breaking; it was the subject matter of the lay-outs that challenged the traditional approach to scrapbooking.There were the holidays, the babies, the best friends pages, but there were also layouts recording the most real of life events...bereavement, loss, striving to meet the challenges of ill health and other challenging life experiences. An artistic celebration of survival and self discovery.If you are someone who has an interest in scrapbooking all of life (its laughter and its heartache), I think you will appreciate this book.0 of 0 people found the following review helpful. Five StarsBy ramatakgreat book4 of 4 people found the following review helpful. Inspiring BookBy BabzterThe layouts in this lovely book are definitely not ho-hum. I carried this book with me everywhere for several weeks because I loved looking at the exceptional pages. Very inspirational.

Go ahead...break the rules!Many scrapbookers see scrapbooking as their sole creative outlet - their chance to explore, grow and have fun. But these same crafters feel confined by the rules of what scrapbooking is supposed to be, whether

it's the shape of the page, the materials used or even the reasons why they scrapbook. In this book, two leading scrapbook designers show readers how to shake off these notions and create scrapbook pages and memory art that are free of rules and full of creative inspiration. Discover: Sixty unique and exceptional scrapbook pages featuring out-of-the-box techniques and ideas New ways to play with techniques, break the rules, find new motivation, and push the boundaries Inspirational quotes, artist challenges and complete supply lists Full of inspirational prompts and challenges, Out of Bounds is the first creativity-centered book that will get you thinking in a whole new way!

About the Author Jodi Amidei was the craft editor at Memory Makers books for four years and is a previous Memory Makers Master. Her work appears regularly in Memory Makers books and magazine. Torrey Scott is also a previous Memory Makers Master and has been a leading designer for Memory Makers books and magazine for more than five years. She is well known for her over-the-top, creative designs.
