Superb, as always with Overstreet.By Sean RobinsAnother great reference from Bob Overstreet...for both experienced art collectors, and the casual observer who will likewise be fascinated reading about the history of the collection of comic art.

With record prices established on a regular basis, the market for original comic art has never been more compelling. And now a resurgent animation art market is commanding attention as well. If those areas of collecting seem daunting, The Overstreet Guide To Collecting Comic Animation Art is a great place to start. The second book in Overstreet's new "How To" series offers the terminology you need to know along with the expertise of seasoned collectors and dealers who will help you get to know what to look for and how to look for it. Features a Silver Surfer #1 recreation cover by renowned painter Joe Jusko.
