Vivian Karsnitz : Oyster Cans before purchasing it in order to gage whether or not it would be worth my time, and all praised Oyster Cans:

0 of 0 people found the following review helpful. Oyster Cans UnlimitedBy Rodney V. BennettThis is an excellent resource on a highly colourful collectible. Couldn't be happier with this book.0 of 0 people found the following review helpful. Five StarsBy wayne jacoberaA must have for an oyster can collector4 of 4 people found the following review helpful. Nice Photos, No PricesBy Christine GardnerThe Oyster Cans book contains many exciting and colorful photos but I was disappointed that there are no actual prices listed. What the authors provide is a star rating system that tells you if the can is common, rare, and so on. I would have preferred a price range, and that is what I expected.

When investigated with curiosity and enthusiasm, items that may seem mundane and commonplace can prove to be fascinating subjects! Commercial oyster cans have become important collectibles today. This book has over 800 color

photographs of oyster cans, jugs, and bottles, and the text provides wonderful details and anecdotes about the history of the oyster industry in Europe and America.

About the AuthorAuthors Vivian and Jim Karsnitz also are the authors of *Oyster Plates* and *Sporting Collectibles*. They live in Lancaster County, Pennsylvania.
