Pat Wakefield : Painting Holiday Treasures: Inspirations from Christmas Past before purchasing it in order to gage whether or not it would be worth my time, and all praised Painting Holiday Treasures: Inspirations from Christmas Past:

0 of 0 people found the following review helpful. OK, A Little Dated, Some Nice DesignsBy Kate BA good book, not a great book. I can't really imagine there is a lot of market for a Christmas-themed painted chair, or canvas stockings, but there are some nice themes and decorating projects, so I will try my hand at the ideas given.0 of 0 people found the following review helpful. Absolutely Lovely!By M. OwensThis books is wonderful and has great projects for the decorative painter. This book is not for beginners though. You need to have a good understanding of tole painting.0 of 0 people found the following review helpful. Painting Holiday treasuresBy Jill C. CarlsonThe book came in good condition and in a timely manner. Very satisfied with contents.

Capture the warmth and charm of an old-fashioned Christmas with over a dozen step-by-step projects to paint as holiday gifts and decorations. With her loose, painterly style, Pat Wakefield offers painters of all skill levels a spectrum of delightful projects ranging from winter scenes to whimsical snowmen, from holiday flora to good old Santa. What's more, readers can choose projects to fit their painting schedules. Porcelain ornaments can be completed in an hour or two. Readers with more time might choose to paint a Santa portrait on a handmade stocking or a "night before Christmas" scene on a shabby chic wooden chair. Each project includes a traceable pattern, a materials list and a colour swatch chart so all readers can successfully create timeless works with a Christmas theme.

About the Author Pat Wakefield, MDA is the author of *Flowers with a Painterly Touch*. She is a popular seminar and convention teacher throughout the US and Canada.
