**Lee Archer, Bojan Dimitrijevic : Panzerwrecks 19: Yugoslavia** before purchasing it in order to gage whether or not it would be worth my time, and all praised Panzerwrecks 19: Yugoslavia:

How did partisans improve the firepower of the Somua S35? And where did it end up? Who was ambushed at Vukov Klanac? What vehicles did they lose? Why did a German Panzer unit pose as Allied tankers? Where did the Yugoslav Army collect and overhaul captured German AFVs? The answers to these and other questions are to be found here in Panzerwrecks 19, with 151 rare and unpublished large format photographs sourced from around the world.
