**Paper Crafts Magazine Editors and Designers : Paper Crafts Gourmet** before purchasing it in order to gage whether or not it would be worth my time, and all praised Paper Crafts Gourmet:

12 of 13 people found the following review helpful. Not quite what I thoughtBy Pamela PrusselThis book had some great recipes but not the design aspect I thought it would have. It is full of basic scrapbooking ideas for gifts,easy for any level of crafter. I was expecting more templates, better graphic design than what was offered. It makes a great cook book,not so much a crafting book.
