I think he will! 0 of 0 people found the following review helpful. Paper Yachts: By Mary Ann Cintron I would highly recommend this product. It had excellent illustrations and interesting historical background. And the price was also very good. 1 of 1 people found the following review helpful. Paper boats from my childhood - about 200 years ago. By Sylvia C. I have long time wished for such a book and not just origami - this one fills all my needs. Great book well written and presented and a good delivery.

Enjoy big boat racing on a small scale! Paper Yachts shows you how to create miniature imitations of four classes of the most competitive yachts on the planet from the larger International Americas Cup craft to the small and nimble Extreme 40s. Captain your own vessel with sixteen water resistant templates that allow you to test your personal watercraft in the tub, down the stream, or in the ocean. Detailed instructions and illustrations help you fold and launch

each sailboat, and specially designed courses set you up for some serious match racing or a mixed class regatta. Loaded with gorgeous photos and nautical trivia, Paper Yachts is more than origami, its the excitement of sailing at your fingertips. So weigh anchor, cast off, and be an admiral of the sea for a day.
