Pat Sloan : **Pat Sloan's Teach Me to Applique: Fusible Applique That's Soft and Simple** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pat Sloan's Teach Me to Applique: Fusible Applique That's Soft and Simple:

7 of 7 people found the following review helpful. Teaching myself to applique with Pat Sloans wonderful book, a total winner!By Linda BentonPat teaches you how easy it is to learn applique! I have been too scared for years to give applique a try due to trying what other authors had out there in the way of books, but after looking at this book for 15 minutes, I was sold on trying it. And now I am glad I did, this book is definitely worth the price..... Thank you Pat!4

of 4 people found the following review helpful. Pat Sloan's Teach Me to Applique By Marva This is a very excellent book for those who wish to learn to machine applique. I would truly buy it again. 1 of 1 people found the following review helpful. Love all of Pat Sloan's books By Eileen Wery Love all of Pat Sloan's books. Her instructions are always clear and precise. It's fun learning a new quilting technique at my own pace.

Is it possible? Fusible applique that's soft and drapery--and easy? Yes it is, and Pat Sloan shows you how. You'll love what you're about to create! Projects range from wall hangings to banners to bed quilts, all with Pat's fresh and cheery style. Gain confidence and get all your questions answered--Pat shares loads of tips throughout. Own the first in a series of Teach Me books from one of the world's best quilting coaches.

Pat Sloan is a well-known teacher of quilting techniques. This is her 31st book and is for those applique enthusiasts or beginners interested in new ideas and techniques for their work. Making applique soft and drapery is often a challenge, but you'll learn how from this book. Eight fun, happy and easy-to-make projects are included - quilts, cushions, banners and wallhangings. Pat's ideas and instructions are clearly set out. She wants us to quote feather your nest with these projects and make your home beautiful quote. Martingale's photographer, Brent Kane, has once again produced detailed close-ups to go with Pat Sloan's clear instructions. The directions are interspersed with quirky quotes - quote Who doesn't like doughnuts? Even better, fusible-web doughnuts are calorie-free! Or how about - quote Being creative is not a hobby, it is a way of life quote. There are great ideas in this book; I can't wait to get started! Pat Sloan's Teach Me to Applique is the first in a series of Teach Me books published by Martingale. --Online Quilt Magazine, Vol. 6 No. 5, May 2015 I am sure some of you are curious to learn more about [Pat's] Soft Simple Fusible Applique method. If that is the case, then you will want to pick up a copy of her new book. Inside you will find clearly written instructions. To help illustrate each step along the way there are plenty of detailed photographs. The eight projects found in the book will help you work through the lessons. The projects range in size from wall hanging to bed quilts. Another feature I like in the book is called quote Up Close and Beautiful quote. These items appear at the end of the project and contain detailed photos of different areas of the project plus Pat's comments on how she approached the quilting. These hints and tips are fantastic and serve as a nice lesson as to why a certain type of motif was used. This applique method is sure to be a success. I know anyone that has been hesitant to try fusible applique will like this method, I know I did. --The Applique Society Newsletter, May/June 2015 About the Author Pat Sloan of Herndon, Virginia, is a quilt and fabric designer, best-selling author, and the host of the popular weekly program American Patchwork Quilting Radio.
