0 of 0 people found the following review helpful. An easy book for beginner or experienced doll makers!By Cheryl AdamsThis book offers full size patterns, always a plus for me! The instructions are clear, detailed and offer two different styles in constructing the dolls. The Amish history is interesting and makes these dolls a special creation adults and children alike would enjoy. The patterns are also easily adaptable to other styles of dolls with the addition of faces, hair and creative details in the clothing. An easy book for beginner and experienced doll makers!0 of 0 people found the following review helpful. One StarBy CustomerThe pattern was very difficult to make . The clothes were impossible. I was very dissappointed0 of 0 people found the following review helpful. Patterns Amish dollsBy CustomerThank You I will have a great time making these Thank You Debbie
