Samantha Moss : Photos before purchasing it in order to gage whether or not it would be worth my time, and all praised Photos:

1 of 1 people found the following review helpful. Picture Your DwellingBy Book Bee "Sweet"Style is what this book offers. It was a gift to my daughter (35) whom likes a clean, classic look. Ideas that I have not seen in other places or books look like they can be achieved with ease. It gives inspiration for any dwelling.1 of 1 people found the following review helpful. ... for my sister- I already have a copy and love the ideas that it hasBy J. schoentrupI bought the book for my sister- I already have a copy and love the ideas that it has. She is enjoying her copy!1 of 1 people found the following review helpful. Worth the money:)By Nicole CPFFrom pottery barn style comes something we all have trouble with... Walls, photos, display of. Well this gives great ideas and inspiration to get your camera and go take some great photos to display on your wall or table:) I love it!
