This lady talks to you like you were a friend and she really wants you to understand the process she is describing. So many books are written with the thought that the reader already knows what you are talking about. She did an excellent job and I actually found myself stepping out of my comfort zone and did a little creative thinking when wool hooking my rabbit pillow. Lots of nice pictures too. Would recommend this book for sure. 1 of 1 people found the following review helpful. Wonderful rug hooking guide By Sandra Flourance Jane Green has written an excellent guide to hooking a pictorial rug with lots of pictures and explanations. I would highly recommend this for someone who has hooked for awhile and wants to explore doing scenes. Not for the raw beginner. 2 of 2 people found
